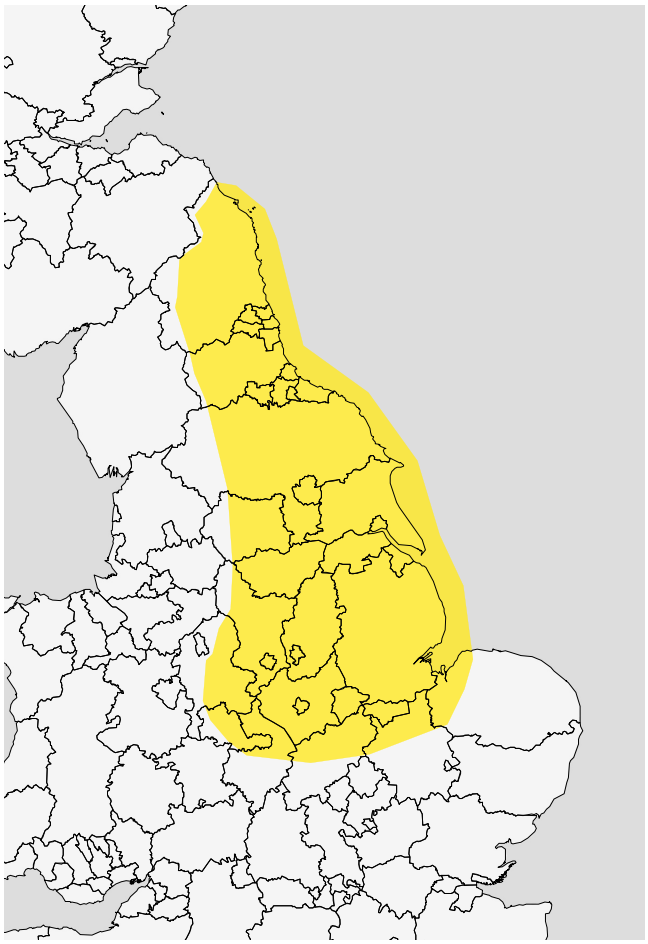
Yellow warning
Rain

Between
00:00 Tue 11 Jun 2019 and
23:59 Tue 11 Jun 2019



There is a chance that heavy prolonged rainfall could lead to local flooding and disruption to transport.

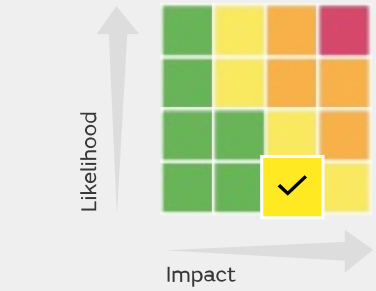
What to expect

- Spray and flooding could lead to difficult driving conditions and some road closures
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance that some communities become cut off by flooded roads

Further details

Further spells of rain, heavy at times, will continue to affect parts of eastern England during Tuesday.

Whilst some places will miss the worst of the rain, a further 10-25 mm may fall quite widely, with some areas potentially seeing up to 60 mm. Much of this may fall in 6-12 hours, mainly during the first half of Tuesday. There is also a chance that thunder may develop later in the day in the south of the warning area once the morning's rain clears.



Very low likelihood of medium impacts
